### Professional Experience

Company Name July 2014 to Current Domestic Violence and Sexual Assault Advocate  
City , State

- One on one counseling addressing emotional needs, coping skills, goals and planning for survivors of domestic violence and sexual assault, often maintaining a caseload of up to 15 clients at one time.
- Cross trained as court advocate, helping people to access restraining orders at the Haverhill District Courthouse.
- Created and facilitated the first successful women's support group for survivors of domestic violence and sexual assault at the YWCA Haverhill, with a regular attendance of 10-20 women.
- Successfully built and rebuilt relationships with outside agencies in the greater Haverhill community, which in turn helped to secure donations and help for our clients and programs.
- Conducted training and presentations in the community regarding healthy relationships, domestic violence, sexual assault, technology safety, codependency, coping skills, self care and other relevant social issues to all age groups, including at Haverhill Public Schools and other agencies.
- Developed an empowerment group for girls age 10-14 after school that takes place twice a week, which has become one of the most popular after school options at the middle school. The program is currently expanding into other middle schools.

Company Name January 2014 to May 2014 Student Intern  
City , State

- Assisted attorney Samdperil during a major homicide trial including input on trial strategy.
- Conducted client interviews on behalf of attorney Samdperil.
- Organized case files and discovery materials to prepare for trial.
- Attended criminal and family court proceedings, depositions, and other meetings related to current cases.
- Performed research tasks as needed.
- Took on secretarial duties in the absence of the paralegal.
- Performed background research on both clients and plaintiffs in order to aid case strategy.

Company Name January 2010 to January 2014 Student Advocate and Assistant Outreach Coordinator  
City , State

- Organized the Community Educators, who are a secondary group of volunteers with the Sexual Harassment and Rape Prevention Program.
- Planned, organized and arranged presentations and participation programs in classrooms, residence halls, and university events.
- Designed and implemented new work flow processes to improve productivity.
- Digitized archives of newspaper articles related to sexual assault from around New England dated back to 1980.
- Staffed the emergency help line on campus.
- One-on-one guidance for students including phone based counseling and referrals for survivors of sexual assault.

Company Name January 2012 to Current Customer Service Representative  
City , State

- Learned cash register and money skills as well as inventory and ordering.
- Opened and closed the operation.
