Education and Training

May 2007

Bachelor of Arts : International Business John Brown University - City , State International Business

Community Service

Junior Achievement Company Program November 2013-May 2014 Volunteered to help mentor students at Round Lake High School in the Company program for Junior Achievement. We were the first group of Baxter Employees to work with this program through JA. Helped to answer questions as students created a business that they launched to sell products to their school and their community. Led several classes where we had to go over specific information for creating their business plan and operating their business per the guidelines that were set forth by Junior Achievement.
