Artem Sliusarenko

artem.sliusarenko@city.ac.uk | +44 7123456789 | London | United Kingdom

Experience

TechStart AI, Artificial Intelligence, 50-200 employees, Machine Learning Engineer Intern, intern, internship, 2023-06-01, 2023-09-01, 3 months, Developed and deployed ML models for text classification using PyTorch, Implemented data preprocessing pipelines using Python and pandas, Optimized model performance resulting in 25% faster inference time, Python, PyTorch, FastAPI, Docker, Agile, CI/CD, Git, Jenkins, AWS

Education

BSc, Computer Science, Artificial Intelligence, City, University of London, London, UK, QAA, 2020-09, 2024-06, 3.8, Dean's List 2022-2023, Machine Learning, Natural Language Processing, Advanced Algorithms

Skills

Python, expert, JavaScript, intermediate, Java, intermediate, PyTorch, advanced, FastAPI, intermediate, React, intermediate, PostgreSQL, intermediate, MongoDB, intermediate, AWS, intermediate, Docker, intermediate, English, fluent, Ukrainian, native

Projects

Resume Parser & Job Matcher, Final year project: AI-powered system for matching job seekers with relevant positions using NLP, Python, FastAPI, PyTorch, Next.js, Full-stack Developer & ML Engineer, github.com/artemslius/resume-parser-matcher, Achieved 85% accuracy in job-candidate matching

Certifications
