NX (UNIGRAPHICS) DESIGNER

Summary

Highlights

- Virus and spyware removal
- Highly motivated
- Resourceful
- Organized
- Excellent communication techniques
- Attention to detail
- Fast learner

Education

Associate of Applied Science , Computer Networking Technology - Microsoft Option 2012 Baker College of Owosso - City , State GPA: GPA: 3.55 Graduated Cum Laude, Dean's List Recipient

GPA: 3.55 Graduated Cum Laude, Dean's List Recipient

Associate of Applied Science , Drafting & Design Technology 1997 Baker College of Owosso - City , State GPA: GPA: 3.56 Graduated Cum Laude, Dean's List Recipient

GPA: 3.56 Graduated Cum Laude, Dean's List Recipient

Experience

NX (Unigraphics) Designer Mar 2013 to Aug 2014
Company Name - City , State

- Design and modify Chrysler and GM shipping racks for prototype or production.
- Used NX 7.5, NX 8.0 or NX 8.5.

Cashier Aug 2012 to Mar 2013
Company Name - City , State

- Operate cash register, authorize gas pumps, sell lotto tickets, stock shelves and other areas and clean store.

Cashier/Bakery Aug 2010 to Aug 2012
Company Name - City , State

- Operated cash register, cleaned cashier lanes, bagged groceries as needed
- Stocked shelves with baked goods, prepped frozen bread and roll dough for the bakers, cleaned doughnut case.

Unigraphics Designer, CAD Jun 2004 to Jan 2009
Company Name - City , State

- Designed and detailed parts for intermediate shafts and steering columns for GM steering columns using UG NX and UG NX2.
- Produced and maintained accurate design documentation.Supplied production data to engineers and supervisors.

Cashier Feb 2004 to Jun 2004
Company Name - City , State

- Operated cash register, authorized gas pumps, sold lotto tickets, stocked shelves and other areas and cleaned store.

Designer, Unigraphics Operator Aug 1999 to Feb 2003
Company Name - City , State

- Maintained design changes on Front End Sheet Metal parts, Rear End Closure parts and their assembly files using Iman and Unigraphics.
- Produced and maintained math part files, drawing files and assembly files.
- Used Unigraphics versions 15, 16 and 18.

Detailer Oct 1997 to Aug 1999

Company Name - City , State

- In SurfSeg: checked surfaces of parts, interference and gap checks between parts from UG and CGS part files.
- Created photo quality pictures for presentations.
- As a file checker, checked files to make sure they followed specific file guidelines using a file check sheet, EdsNet, CGS and file checker in CGS.
- Updated details in mlref (math reference) files for some body panels that reside in UG for CGS.
- Also, completed detail changes on mldes (math data file) and drawing format files.

Detailer Jul 1996 to Dec 1996

Company Name - City , State

- Changed or added details to CAD drawings.
- Created control and assembly drawings for rear end car parts as specified in work orders, using CGS.

Detailer Jul 1995 to Dec 1995

Company Name - City , State

- Maintained assembly drawings
- Maintained detail changes on drawings for Rear End car parts, using CGS.

Skills

- CAD Software: IMan/ TeamCenter, Unigraphics NX 7.5, 8.0, 8.5
- Software: MS Excel, MS Word, MS Access, MS Powerpoint, MS Windows 7

Additional Information

- Assistant coach for local AYSO girls soccer team
